# Scores turned away on sold out Legends' Show at Nick's Supper Club

**O**h how sweet it is... \* when a show is sold out after Easter, which is the usual time the Snow Birds head north and business slows down. But **Dominic Santerelli**, owner of Nick's Supper club on the Galt,

proved again if you offer something good, they will come. And come they did, for the April 10th zany Legends Show. The supper club holds around 200; the room turned away over 80. Of course that kind of action calls for a repeat performance. The Legends will again headline at Nick's, 3496 North Ocean Drive, May 1. The show is already selling, so make your reservations now. Cost is \$43.99 and includes dinner with tax and tip. Reservations can only be made by calling 954-596-0058. Do not call Nick's for reservations.

great staff; a real hot spot around town, with a strong Jazz downbeat. Melody's special guest performer is star singer **Nicole McCloud**. For \$10 there is an open bar 6-7 and appetizers 7-8:30... It seems the Mango's restaurant sales deal, on Las Olas, did not go through so it is business as usual at Mango's... **Ronnie Davis** has taken over the entertainment spotlight at Bobby Rubino's, 2501 N. This was a great lady who loved the world and the people on it. She managed the Ink Spots for years. Mili was a generous person with an outgoing personality and lots of friends. She will be missed.
